

## Kindergarten / Early Years Teacher

*(Start: Mid-August 2026 or on a rolling basis)*

We are looking for an enthusiastic early years teacher happy to mentor children to be masters of their own learning. Someone who wants to be part of a supportive team with a child-centered and highly hands-on approach to teaching and learning. Experience in the Montessori methodology is appreciated, but not essential.

If you care for ecology and believe that care and respect for the environment need to be prioritized, if you believe teaching kindness, truthfulness, and justice to children is just as important as academics, if you are practicing a growth mindset and are able to instill the love of learning in children, please get in touch!

The successful candidate will join our enthusiastic team. The post is a full-time teaching post that is well supported by management. For more information about us and our teaching positions: <https://www.brilliantstars.sk/admissions#careers>

**Type: International School**

**Phase: Early Years / Kindergarten (Pre-Primary)**

### **A little about Bratislava (Location):**

Bratislava is a friendly city with under an hour's train journey from Vienna, 2h from Budapest and 3h from Prague. It has cheap, reliable and frequent public transport. Brilliant Stars is located one tram stop from the heart of the city. Next to the Danube with easy access to Vienna and Bratislava Airports.

There are also many volunteering opportunities, including working with disadvantaged Roma Settlements, environmental initiatives, and neighbourhood building.
