

## Lower-Secondary / Middle School Teacher

*(Start: Mid-August 2025 or 2026)*

We are looking for an enthusiastic secondary school teacher with a strong English and humanities background with a reading focus, happy to mentor students to be masters of their own learning. Someone who has experience in and a passion for learning themselves, and/or someone with a mother tongue of English who has a passion for writing, poetry and literature.

Someone who wants to be part of a supportive team with a child-centered and highly hands-on approach to teaching and learning. Experience teaching an international curriculum and Montessori is appreciated, but not essential. If you care for ecology and believe that care and respect for the environment need to be prioritized, if you believe teaching kindness, truthfulness, and justice to children is just as important as academics, if you are practising a growth mindset and are able to instil the love of learning in children, please get in touch!

The successful candidate will join our enthusiastic team. The position is a full-time teaching post, well-supported by management. Brilliant Stars International School grew out of parents' requests for further education following on from the well-established and highly regarded Brilliant Stars International Kindergarten and Primary School.

**Type: International School**
